EDUCATION

Meerut Institute of Engineering and Technology   Meerut, India

Bachelor of Technology - Computer Science and Engineering: CGPA:8.93   Aug 2023- Aug 2027

SKILLS

Programming Languages: C, C++, Java, Python, JavaScript
Frameworks & Libraries: React.js, Node.js, Express.js, Flutter
Backend Development: REST APIs, Firebase, Node.js, Express.js
Databases: MySQL, MongoDB, Firebase Firestore
DevOps & Tools: Git, GitHub, Docker, CI/CD basics
Cloud Platforms: Google Cloud Platform (GCP), Firebase, AWS (Basics)

WORK EXPERIENCE

UptoSkills   Remote, Delhi, India

MERN Stack Developer Intern   10/2025 - Present

• Worked on full-stack web development using MongoDB, Express.js, React.js, and Node.js

• Developed responsive frontend components and backend services

• Built and tested RESTful APIs and integrated frontend with backend systems

• Collaborated with mentors and peers in an industry-oriented development environment

PROJECTS

Mansaathi – Mindful Living Companion | LINK

- Developed a full-stack web application with a focus on user engagement and data-driven insights
- Implemented an AI-powered assistant for personalized user guidance
- Built secure user authentication, CRUD operations, and real-time analytics for user activity
- Designed a responsive React.js frontend with a Node.js/Express.js backend and MongoDB
- Integrated advanced features including streak tracking, analytics dashboards, and crisis support

Tarang – Maritime Hazard Management System | LINK

- Cross-platform app for citizens to report maritime hazards with photos and geolocation
- Live hazard map and dashboard for maritime authorities to manage incidents in real-time
- AI-powered emergency guidance with Google Gemini API and location-based news
- Built with Flutter and Firebase (Authentication, Firestore, Storage)

CERTIFICATES

Generative AI Professional – Oracle | CERIFICATE

- Hands-on experience with Generative AI models and applications.

AI & ML Virtual Internship – EduSkills | CERTIFICATE

- Practical AI/ML skills in model building and data analysis.

AWS – Solutions Architecture Job Simulation – Forage | CERTIFICATE

- Gained practical knowledge of cloud architecture, deployment, and AWS services.

Quantum Computing – CDAC IIT Roorkee | CERTIFICATE

- Knowledge of quantum computing principles and applications.
