SUMMARY

Computer Science student with an 8.7 CGPA, ranked 7th in the institute, and MERN Stack internship experience in developing web applications and REST APIs. Skilled in React.js, Node.js, Express.js, MongoDB, MySQL, AWS, Docker, Git, and Postman, with knowledge of Data Structures, DBMS, Operating Systems, and Computer Networks.

EDUCATION

Meerut Institute of Engineering and Technology

Bachelor of Technology in Computer Science and Engineering | CGPA: 8.7

Aug 2023- Present

Meerut, India

SKILLS

Languages: C++, JavaScript

Frontend: React.js

Backend: Node.js, Express.js

Databases: MongoDB, MySQL

Cloud & DevOps: AWS, Docker

Tools: Git, GitHub, Postman

Core CS: Data Structures & Algorithms, OOP, DBMS, Operating Systems, Computer Networks

EXPERIENCE

UptoSkills

Oct 2025 – Feb 2026

MERN Stack Developer Intern | **Intern of the Month (5/5)**

Remote

- Built 10+ scalable RESTful APIs using Node.js and Express.js for coding problems, contests, user management and submissions
- Developed features for contest scheduling, problem management, code submissions, score calculation, and leaderboards.
- Containerized backend services using Docker, validated 50+ REST API endpoints with Postman, and collaborated using Git/GitHub in an Agile development environment.
- Received the Intern of the Month award with a 5/5 performance rating for my work during the internship.

PROJECTS

DevLens Lite – AI Repository Intelligence Platform | MERN, Docker, Gemini API | Live

- Built a MERN-based platform to analyze GitHub repositories and identify the technologies used.
- Added JWT authentication, repository import, AI-based codebase Q&A, and PDF/JSON report generation.
- Used Docker and Docker Compose to run the application locally.

Mansaathi – Mental Wellness Platform | MERN | Live

- Built a MERN-based platform with JWT authentication, mood tracking, journaling, and personalized dashboards.
- Created MongoDB collections and REST APIs for authentication, journals, and activity tracking.
- Implemented user login, journal entries, and mood data management in the application.

CERTIFICATIONS

AWS Certified Cloud Practitioner (CLF-C02)

Quantum Computing – CDAC & IIT Roorkee

MongoDB for Students – MongoDB University

ACHIEVEMENTS

Ranked 7th in the institute and received the Academic Achiever Award.
